School Technology

What parents would like to see: Technology teacher, more updated computers, laptops, smart boards, educational programs, more use of technology in the everyday classroom.

We will be able to address several of these areas this year and next with funds raised by the Gala.

School Security Plan: Mrs. Corcoran has put together a comprehensive plan and teachers will now be trained. Our school will soon be prepared to practice "Lockdowns".

Gala Update: The Gala was a great success and we were able to raise \$53,000.00. Way to Go!!! We want to continue to look at ways to get more parents involved at Immaculata. We want to continue to grow our volunteer base.

Young Broadcasters: Mrs. Corcoran would like to start a student produced news broadcast using (ERate) which is available to nonprofit school.

Foreign Language program at Immaculata: What would parents like to see happen. 1. More Spanish weekly, maybe offer another language. Look into and give parents info on how are students are doing in High School.

Tutoring Program: How can parents help?

Grant Writing: The school has a committee but we would like to have some parents involved to help.

Fellowship/Family activities at ICS: New H&SA board is doing a great job. We have our first Bingo night coming up. Nov.14th at 6:30pm.
