

Please read the following important information about this school year's catered lunch program.

Catered lunches will be available beginning September 8th, 2009. *All students should bring in a bagged lunch until this time. (Remember: sodas and any other carbonated beverages are prohibited.)*

Lunches must be pre-ordered and no orders will be accepted after TUESDAY, AUGUST 25TH.

Program cycles generally span six-weeks. *Order forms are distributed two weeks before each cycle begins. Because active cycles and new submissions/ordering dates will overlap, it is important that you are careful about keeping track of the dates when new cycle forms are due and dates you have already ordered.*

ICS Lunch Program vendors are: Mondays – Chick-Fil-A; Tuesdays – Randy's; Wednesdays – Jersey Mike's; Thursdays – Elegant Touches Catering; Fridays – Dominos.

Additional daily offering: Peanut Butter & Grape Jelly No Crust Sandwiches. *While we have successful relationships with our lunch vendors and look forward to working with them again this school year, we have independently added this menu item to increase options.*

Participation in the ICS Lunch Program is completely optional. *There is no obligation to participate in the lunch program – especially if you feel the items available do not meet your nutritional standards, cause allergy concerns, or do not meet your budget. The ICS Lunch Program is intended as a convenience for Immaculata families and as a fund-raiser for the school.*

Cash Sales Service: *As an additional convenience and to help round-out meals, yogurt, crackers, applesauce, granola bars, and the like will be on sale for fifty cents each. This service is available daily during lunch hours in the lunch room beginning September 8th.*

Instructions for Ordering *Most importantly: PLEASE CLEARLY INDICATE STUDENT NAME & HOMEROOM.* *Circle or highlight food choices. If ordering more than one portion of any item, please indicate so clearly – for example, circle choice and then write "x2" – and increase your payment accordingly. Payment is due at the time you turn in your order form. Families with multiple children may send a blanket payment as long as it is submitted with all sibling forms together. (Make certain each form clearly identifies each separate student.) If paying by check, make it out to "Immaculata Catholic School"; cash payments should be enclosed in an envelope marked with student(s) name and homeroom(s). Please make sure to adhere to deadlines and keep track of what and when you order.*
