Distance Learning Plan

PreK

Weekly email with daily activities and resources.

Kindergarten-Grade 5

Daily email (created by grade-level teams) with lesson plans will be sent to parents by each homeroom teacher at 3:00pm the day before (Tuesday's plan will be sent by 3:00pm Monday and so forth)

o Content:

§ Content-based activities

§ Online practice / programs

§ Links to Online videos such as Khan Academy, teacher-created content

§ Suggestions for at-home extra practice or fun projects to expand upon curriculum

§ Assessments

o Link to **office hours** meeting

o **List of assignments/assessments** to be completed that day (will also be posted on PlusPortals)

Middle School

Teams and PlusPortals

o Teachers will communicate with students and parents by:

1) posting assignments due in PlusPortals (one week at a time, by 8:00am Monday morning of that week; minor changes can be made—students must check assignments daily)

2) utilizing Teams

a. to present curriculum and assessments

b. to host office hours (via video link OR "posts")

3) responding to email or other forms of parent/student communication

o Teachers will assign assessments, projects, readings, activities, and digital practice activities daily

Specials

Weekly email with suggestions for how students and parents can engage in specials curriculum.
